Eligibility

All applicants must have graduated from an ACGME accredited emergency medicine residency and be board-certified or board-eligible with the American Board of Emergency Medicine. In addition, the applicant must qualify for Florida Medical Licensure. Applicants must complete an employment application and submit three letters of recommendation for training. One of these letters must be from the applicant's residency program director.

Deadline for fellowship application:

We are currently accepting applications

Do you bill for ultrasounds?

Yes

Do you require follow up imaging for patients who get ultrasounds?

No

Image Recorder

We utilize Q-pathE. Image workflow is managed in a state-of-the-art fashion using wireless and cloud technologies. The work list is activated using an EPIC order allowing hands-free entry of the patient demographics into the US machine.
